

HOW RAPIDRUN WORKS

The 2-Step RapidRun System

1. Choose a Runner

2. Choose a Break-Away (Wall Plate/Flying Lead)

Wall Plate

Flying Lead

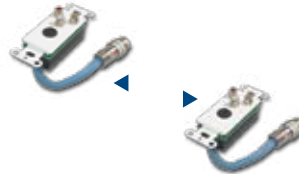

Flying Lead with a Wall Plate

Flying Lead with a Flying Lead

Wall Plate with a Wall Plate

Popular Configurations

RapidRun offers hundreds of different combinations. For ease in selecting the best combination for your specific application, use the RapidRun Configurator at www.rapidrun.com to configure your next job!

- ◀ Component Video + S-Video
- ▶ HD15 (UXGA) + 3.5mm Audio
- ◀ 5BNC
- ▶ DVI-D & HDMI™
