## **CableOrganizer.com's Online Learning Center Offers Tradesmen RJ45 Keystone Jack-Related 'How To's'**

*Award winning eTailer's online Learning Center provides text and video instruction on how to wire a keystone jack, test an RJ45 connection, remotely test RJ45 terminated cables, and terminate with a RJ45 connector*

**FORT LAUDERDALE, FL, September 16, 2009** – Award-winning eTailer CableOrganizer.com, among the world's foremost providers of cable, wire and equipment management-related products for use in business and at home, today announced the availability of RJ45 keystone jack-specific instructional materials in its robust online Learning Center located at <http://cableorganizer.com/learning-center>. The materials include detail on how to wire a keystone jack, test an RJ45 connection, remotely test [RJ45 terminated cables](#), and terminate with a [RJ45 connector](#), with instruction offered in text, image and video formats. These RJ45-specific "how to's" may be directly accessed online at <http://cableorganizer.com/learning-center/how-to/how-to-experts.html>.

Other related resources in CableOrganizer.com's online Learning Center include articles like "The RJ11 Jack and What It's Used For" and "What's the Difference Between T568A and T568B?"

"Our 'How-To's for Industry Experts' guides, and our online Learning Center at large, is an extremely popular feature of our site, since the materials provide tradesmen with step-by-step instruction and details on a wide variety of products and technologies," notes Paul Holstein, CableOrganizer.com COO. "Information covered certainly includes, but extends well beyond, RJ45 connectors and [RJ45 couplers](#)."

CableOrganizer.com's industry-leading catalog also offers a wide selection of CAT 5e & CAT6 Keystone Jacks, RJ45 Connectors and RJ45 Couplers for online purchase, with products directly accessible from <http://cableorganizer.com/keystone-jacks>. Items offered in the category include the following:
