CableOrganizer.com Adds Nearly Two Dozen New Leviton Products to Online Catalog

Industry leading eTailer expands line of Leviton's world-class telecom and electrical solutions, including wallplates, jacks, inserts, receptacles, switches, connectors, adapters, patch panels, wiring systems, fiber optic connectors and enclosures, patch cables, cords and structured media centers

FORT LAUDERDALE, FL, December 1, 2009 – Award-winning eTailer CableOrganizer.com (<http://CableOrganizer.com>), among the world's foremost providers of cable, wire and equipment management-related products for use in business and at home, today announced that it's added over 20 new [Leviton](#)[®] solutions to its award-winning online catalog. CableOrganizer.com continues to add to its line of nearly 500 Leviton SKUs, including a broad range of [wallplates](#), jacks, inserts, receptacles, switches, connectors, adapters, patch panels, wiring systems, [fiber optic connectors](#) and enclosures, patch cables, cords and structured media centers, furthering its stronghold as a leading provider of Leviton's world-class telecom and electrical solutions.

Leviton Network Solutions was created 20 years ago to meet the growing need for telecommunications and high-speed data technologies. Today, the division is dedicated to producing complete network infrastructure solutions for its enterprise, data center, service provider, developer, and government customers. The company's products are engineered to exacting standards and offer guaranteed performance.

"Leviton Manufacturing Company is North America's largest manufacturer of electrical and electronic devices, and is world-renowned for their quality and innovation," notes Paul Holstein, CableOrganizer.com COO. "We're pleased to offer Leviton's comprehensive line of solutions to our customers. Whether for commercial, residential or industrial applications, we offer all Leviton components required to execute and complete electrical, datacom and telecom installations."

The following are among the [Leviton](#) products recently added to CableOrganizer.com:
