## **CableOrganizer.com Offering Cord-It™ Retractable USB 2.0 Cable with AA Extension to Help Consumers Minimize Cable Clutter**

Award-Winning Internet Retailer Now Offering Unique Retractable USB Cable, Which Adjusts Up to 3-Feet in Length, for Under \$10, Along With an Array of Other Solutions to Manage and Eliminate USB Cable Clutter

**FEBRUARY 5, 2008, FORT LAUDERDALE, FL** - Consumers who are sick and tired of the wiring octopus under their desk will be happy to know that CableOrganizer.com – among the world's leading purveyors of cable, wire and equipment management-related products for use in business and at home – is offering Cord-It's Retractable USB 2.0 Cable with AA Extension for just \$9.99 from its award-winning online catalog located at <http://CableOrganizer.com>.

Cord-It's unique retractable system allows users to adjust the cable length to fit their needs and aesthetic sensibility. Whether in need of a little USB cord length or a lot, simply pull on both ends of this unique retractable cable and adjust the length up to three-feet to suit. When finished, simply pull on both ends and the cable will retract back to its original size. A must have for any business traveler, the ultra-compact size of the Cord-It Retractable USB 2.0 Cable makes it a breeze to fit in any pocket or computer bag, and it also works well as a retractable USB palm cable.

More information about the Cord-It Retractable USB 2.0 Cable with AA Extension may be accessed online at <http://cableorganizer.com/retractable-usb-cable>. Notable product features include include:

- Compact, ultra-portable and durable USB A/B cable retractable
- Cable connector: USB A male to USB B male with AA extension
- Cable length: extends to 0.8M (31") in length
- The perfect USB cable solution for mobile users
- PC and Mac compatible
- A/B USB device cable allows you to connect a USB peripheral to an USB Hub or USB port on PC/Mac
- Connect your computer to a digital camera, PDA or any other USB device that has a mini 5-pin retractable USB palm connection
- Fits easily into a notebook bag or pocket

CableOrganizer.com offers an array of USB cable solutions, including:

**Cord-It USB 5 in 1 QuickConnect™ Cable** - provides five different USB connector configurations in one package. Consumers have the option to change to either USB A Male, USB B Male, Mini USB A Male, or Mini

USB B Male. The USB A Female connector allows multiple configuration options. View additional product details here: <http://cableorganizer.com/usb-firewire-quickconnect/>

**USB Squid Hub** - this 4-Port USB 2.0 Hub Cable allows you to connect up to four USB 2.0 devices with just one cable. There are 3 USB "A" female ports for connecting various USB Devices and 1 USB "mini-b" male plug for connecting your digital cameras, camcorders and USB flash memory card readers. The clutter created by traditional USB hubs is eliminated since there is no need for so many cords to be used. View additional product details here: [http://cableorganizer.com/usb\\_squid\\_hub/](http://cableorganizer.com/usb_squid_hub/)

**USB Bug Connector/Extender** - this USB Bug Connector allows you to reach your rear USB ports with ease. The 6-foot cable attaches to a rear port, and the base can be mounted under your desk or workstation for easy access. View additional product details here: <http://cableorganizer.com/usb-connect/>

**Cord-It USB Cord Manager** - the world's first adjustable cable management system. Cable managers bring order to your cord chaos through expert wire management. View additional product details here: <http://cableorganizer.com/cord-it/>

**Belkin Clip-On USB Hub** - This Clip ON USB Hub from Belkin gives you the quickest way to plug in cameras and flash drives, while saving your invaluable computer desk space. The Hub easily clips onto the side of your desk or around a bundle of cables and connects directly to your computer with the included USB cable. View additional product details here: <http://cableorganizer.com/belkin/clip-on-usb-hub.html>

**Mini Retractable Optical Mouse** - The perfect solution for the business traveler who needs to save space and avoid wire tangles. This mini retractable optical mouse lets you work in tight spaces and packs easily and neatly. The "scroll button" allows you to scroll up or down a page. View additional product details here: <http://cableorganizer.com/retractable-usb-cable/#B>

**Belkin USB Hub Grommets** - these In-Desk USB Hubs from Belkin give you the quickest way to plug in cameras and flash drives, while saving your invaluable computer-desk space. The Hubs easily fit into a 2 or 3-inch round opening on your desk or other surface, and connects directly to your computer with the included USB cable. View additional product details here: <http://cableorganizer.com/belkin/in-desk-usb-grommets.html>

#### **About CableOrganizer.com**

Founded in February 2002 and headquartered in Fort Lauderdale, FL, CableOrganizer.com is a premier cable and wire management-related product vendor. The company provides companies, organizations and individuals around the globe with 24/7/365 access to an extensive array of high-quality products and information resources through its convenient online storefront. In addition to <http://CableOrganizer.com>, the company also owns and operates <http://CableOrganizer.fr>, which is operated out of Rennes, France. CableOrganizer.com also publishes "On the Wire," a free monthly electronic newsletter with a considerable multi-national opt-in circulation base. Among other honors, CableOrganizer.com was named among *Inc. Magazine's* Inc. 500, *Internet Retailer* magazine's 2007 "Top 500" and earned a Stevie® Award as the "Best Overall Company of the Year - Non-Services Businesses - Up To 100 Employees."
