CableOrganizer.com to Serve as Corporate Sponsor for Highly Anticipated Charity Fundraising Event

*Leading Worldwide eTailer Gives Back Locally with Donations Supporting
Art in the Park Goes Green 2009*

Fort Lauderdale, FL, November 9, 2009 – South Florida-based online retailer CableOrganizer.com is excited to be an official sponsor of *Art in the Park 2009*, a weekend-long fundraiser being hosted by the Plantation Junior Woman's Club of Plantation, Florida. With the theme of *Art in the Park Goes Green*, this year's festival will take place in Plantation's Liberty Tree Park on November 14th and 15th, 2009.

Featuring over 100 artists and crafters from around Florida and the United States, performances by local dance troupes and martial arts schools, and live music and entertainers, *Art in the Park Goes Green* not only provides a child-friendly community event for families to enjoy, but also raises thousands of dollars to support the Plantation Junior Woman's Club's many charitable causes, including the Make-A-Wish Foundation, school and art supply donations, and Thanksgiving food baskets and Christmas toy drives for families in need.
