Oneida Nation names Employees of the Month

VERONA – Mandy Boyd, Denice Long, Aye Thitsar and Kathryn Woodcock were named the Oneida Indian Nation's Employees of the Month for December.

Boyd, of Oneida, is a SavOn shift supervisor; Long, of Sherrill, is an assistant retail buyer in the retail department; Thitsar, of Utica, is a dealer in the games department, and Woodcock, of Morrisville, is a server in the food and beverage department.

Glista joins LutheranCare

CLINTON – Patsy A. Glista has joined LutheranCare in Clinton as the Lutheran disaster response coordinator. She recently was commissioned and installed as an associate in ministry with the Evangelical Lutheran Church in America.

Following a disaster, Lutheran Disaster Response seeks to minister holistically to the unmet needs of those affected, regardless of faith or creed. Glista has been designated the overall agent, organizing response efforts by Lutherans locally and working on behalf of LDR in the upstate area. LutheranCare will serve as the affiliate Lutheran social ministry organization supporting the program in Upstate New York.

TECH UPDATE

Tablet PC has right touch

A tap of your finger is all it takes to control Toshiba's newest tablet PC. Designed with a backlit LED screen that responds to both a digital pen and a fingertip, the tablet PC boasts a 12.1-inch wide-screen anti-glare display, a spill-resistant keyboard and a shock-absorbing design. The Portege M700-S7002 model also includes a 2.2GHz Intel Core 2 Duo processor, 2 gigabytes of memory, a 160GB hard drive, a DVD recorder, wireless connectivity and a built-in 1.3-megapixel webcam and microphone. It costs \$1,799. www.toshibadirect.com

Charge your iPod on the go

When your Apple iPod's battery gives out on the way to Grandma's house, you can keep the music going with a portable battery-powered charging dock from Energizer. Charging time varies depending on the condition of the iPod battery but generally a full charge will take two to three hours. Priced at \$30, the Energi To Go Portable Power for iPod set includes a charger, an iPod connector and two lithium AA batteries. The included batteries have enough power to deliver about three charges to an iPod Nano and two charges to a video iPod. www.energito-goportablepower.com

Keeps ear bud cord under wraps

The Cableyoyo POP can help you wrap up loose ends, at least when it comes to the cords on your ear buds. Available in white or black, the itty-bitty cord winder comes with a suction cup that can be attached to an MP3 player, cell phone or most any other gadget. The cord winder costs \$10.
