

THE LIST IS IN!

Inc. Magazine has unleashed its Inc. 500 annual list of the nation's fastest-growing companies, and it includes 11 South Florida firms. The South Florida company ranked highest on the list — Miami-based Global Risk Solutions Inc., No. 16 — helps insurance companies handle claims. According to *Inc.*, Global Risk Solutions is growing because its contracts with more than 1,500 claims specialists mean it can mount the "massive human response" needed during these disasters. — *Oriane Lluch*
